The American Hotel & Lodging Educational Institute (AHLEI) has been a leader in hospitality education, training and certification for more than 65 years. AHLEI's hospitality management textbooks (available in print and eBook formats) create a bridge between classroom and industry by focusing on the knowledge hospitality professionals have identified as important. Every AHLEI course comes with a final exam that leads to an academic certificate of completion; students can also earn professional certifications from the American Hotel & Lodging Association, giving them marketable credentials as they begin their careers.
