Drive business results and reduce turnover by ensuring your managers employ leadership skills

New scalable, interactive online training built upon AHLEI’s roots in the hospitality industry empowers your managers to build a positive workplace culture, align day-to-day operations with organizational goals, and learn new tactics to connect with employees.

“This training weaves a beautiful tapestry of all the skills that an inspiring leader needs in order to be successful in today’s challenging labor market and competitive environment.”

73.8%

Annualized employee turnover rate in hotels

Bureau of Labor and Statistics
How Your Property Benefits
